GUIDED DISCUSSION WORKSHEET

HORSE SENSE FOR LEADERS: BUILDING TRUST-BASED RELATIONSHIPS

START A DISCUSSION ON THE LEVELS OF TRUST IN YOUR ORGANIZATION

Use Our Complimentary **Quick Read Book** and This Worksheet to Talk About Trust and How to Create More in Your Organization

Leaders are faced with the critical role of helping followers succeed. This book begins with an incredibly compelling story. The story is about Join-Up®, a learning process that transforms a horse's willingness to accept the first saddle and rider of their life in less than thirty minutes. The book offers lessons in how to transfer key learning's from the round pen back to work.

Guided Discussion Worksheet

1. Read the Quick Read Edition of the book: find it at www.corplearning.com on the home page.
2. Come prepared to discuss the following questions. Allow time for deeper thought and responses:
3. What is your reaction to the book?
4. What importance do you place on trust in the workplace (or in your workgroup)
-Consider using a scale 1-low, 5-high.
5. In our organization (or workgroup), how is trust valued? How can you tell?
-Consider using the same scale 1-low, 5- high.
6. How can we increase trust in our workgroup or here in our organization? What will it take from each of us personally and from our leaders?
