

CLI's Leadership Challenge Program

For Current, Developing and/or High Potential Leaders

THE LEADERSHIP CHALLENGE WORKSHOP

Corporate Learning Institute's The Leadership Challenge Program® is based on six modules, which can be offered in a single day eye-opener session, two-day intensive session or in individual modules at your location. The course includes:

The program features classroom modules PLUS our innovative experienced-based learning simulations or our portable low ropes course.

- The Five Practices of Exemplary Leadership® book and workbook.
 - Leadership Practices Inventory (LPI)-acclaimed 360-degree feedback assessment.
 - Identification of leadership roles, strengths and challenges
- The workshop blends online resources with instructor-led training.

Choose Learning Tools to Focus on Performance Objectives:

Professional Development Tools - Add emphasis on developing skills in areas like strategic thinking, time management, project or innovation management, change, communication or other performance needs.

Live Projects - We work with you to create projects for leaders to work on during and after the program, so that they use their developing skills on real-time projects.
