

ENGAGING AND DEVELOPING MILLENNIALS IN YOUR WORKPLACE

Millennials, the newest generation entering the workforce, make up about 1/3 of the population in the United States. Partner with the Corporate Learning Institute to engage and develop your Millennial workforce.

CLI offers personalized training and coaching services for your Millennial contributors. Take a look at the following training and coaching opportunities:

❖ **Coaching Services to develop your millennials**

CLI offers web, telephone, and face-to-face coaching services for Millennials. We engage your Millennial contributors so that they can learn and apply skills on the job quickly. Here are several of our coaching topics that we incorporate into our coaching session:

- Leadership skills for Millennials, including 360-degree or self-rate assessments
- Team building and team development skills
- Collaboration and communication skills
- Networking tips and opportunities
- Career development coaching

❖ **Training Services for Developing Your Millennial Workforce**

CLI offers personalized training services to meet the needs of your Millennial workforce. We custom design task or full day training sessions that focus on the following topics:

- Leadership and management skills
- Professional skills including time management, conflict resolution, meeting management, managing up, and managing change

Susan Cain, LCSW, Ed.D

Corporate Coach

scain@corplearning.com

Susan provides coaching for developing professionals who want to ensure success early in their career.

As a manager of many Millennial professionals, Susan provides coaching to new employees during the onboarding process. She focuses on career development areas, such as building your network, getting your voice heard, managing up, and developing project management skills. Susan works to improve self-awareness and confidence to ensure the success of each new employee.
